GEORG ANDERGASSEN

Gewürztraminer

SÜDTIROL DOC ALTO ADIGE

Terroir: The „Prutznai“ terroir is located in the immediate vicinity of the community of Tramin and has been renowned as one of the most-valuable terroirs in Überetsch. At the foot of the Mendel Mountains, calcareous soils and a warm climate yield superior wines with a rich bouquet. The „Ora“ wind which rises up off Lake Garda every evening and blows over the rolling hills underscores the uniqueness of the wines from this area. The grapevines thrive here, at approx. 300 meters above sea-level, due to the red argillaceous soils and their high limestone content.

Soil characteristics: Clayey calcareous soil rich in skeletal substances.

Processing and vinification: Manual, from pruning to harvesting, maturation in steel barrels, storage in the leavenings so as to achieve maximum complexity and characteristics distinctive of this area.

Sensory characteristics: Yellow-gold color, sweet bouquet reminiscent of honey and melon.

Recommendation: To be enjoyed with pungent cheeses, crustaceans, and desserts.

Vintage: 2020

Serving temperature: 11 – 13° C

Yield: 50 hl/ha

Alcohol: 15 % Vol

Storage life: 10 years

Harvest time: Late September

Acidity: 5,0 g/l

Residual sugar: 1,3 g/l

Area under cultivation :
3,000 m² of slightly sloping terrain

Age of vines: 10 years

Training method: Wire frames

Production: 1,200 bottles
